## Step 4:

The screenshot displays a web browser window with two tabs: 'sravanip1230savesaveetha - libro' and 'WhatsApp'. The active tab shows a Zoho Creator application titled 'Library Access' at the URL 'creatorapp.zoho.in/sravanip1230.sse\_saveetha/library-access/#Report:higher\_authority\_Report'. The application interface includes a left sidebar with a 'library access' menu containing options like 'librarian', 'Students', 'higher authority', and 'higher authority Rep...'. The main content area is titled 'higher authority Report' and shows a table with one record. The record details are displayed on the right side of the screen.

Email	Phone	Address	Name	permissions
sravanip1230.sse@saveetha.com	+919912006288	1-32, mungalapalem, tirupathi, AP, 517526, India	sravani	yes yes

Below the table, there is a link to 'Add a comment'.

## Result:

Successfully Developing a library management system with Zoho ensures scalable, secure, and integrated solutions for seamless user experiences.
